PARKING POLICY HIGHLIGHTS

- Anyone parking a vehicle at UT is required to register the vehicle and display the appropriate parking pass.
- Visitors are only required to have a parking pass Monday–Friday, 7 a.m.–5 p.m. or if the vehicle will be on campus overnight. Visitor parking passes are obtained via online request and must be made one business day prior to visiting.
- It is illegal to park anywhere on campus other than a clearly marked parking space. The absence of “No Parking” or “Fire Lane” signs, lack of curb paint, or enough room for a vehicle to park does not suggest that parking is permitted. Parking is not allowed on North A St., Brevard Ave. or UT Poe Parkway.
- To ensure optimal parking availability and safety for University community members and visitors, parking rules are always enforced. This includes breaks, closures, or university operational changes.
